

Medtech 32 – NES Screen Audit

NES Screen Audit – shows who has done what changes on what date within the PMS with regards to the NES

Go to Patient Register, Audit (tab 9)

Once you click on **Screen Audit** the index box will drop down. (shown below)

Click on **Screen Audit** in the drop down box and you will get another box open up with all the activities against the patient.

Date	Staff
2018-04-05T11:26:10	JH
Tab Name : Field Name Before After	
Name : Registered	R C
2018-04-05T11:26:18	JH
